Falcon Club Meeting Minutes from Jan. 10, 2024

Attendees: DeAndre James, Cheri Brownfield, Todd Hoffman, Nancy Franich and Linda Benko

DeAndre started the meeting at 7:11 p.m.

Minutes from Dec 6: Cheri Brownfield made a motion to approve the December 6 meeting minutes. Todd Hoffman seconded the motion. All approved.

Treasurer's Report: Net income is down by approximately 20,000. Most of the deficit is in participation donations.

Athletic Director's Report: Louie was invited by KSBW and is attending the all star practice in Salinas.

Fundraisers: Warrior's fundraiser is March 16. Tickets will be \$40 each. We will try to set up ticket sales in Gofan. We will contact Woodstocks Pizza to see if they will participate in this fundraiser by donating back to Falcon Club a percentage of sales made that evening.

Gofan vs. cash - we are trying to make the switch from cash to Gofan and selling tickets to our games and events exclusively through this website. Currently we pay a \$1 fee for each ticket sold. We may be able to adjust that next year. We are still using a cash box for those who pay cash to attend events.

President's Report: There were several representatives from SVHS at the last school board meeting to make the case to the board regarding the problems for the high school because of the lack of good facilities on campus. The darkness has become an even worse problem, now that school hours have changed. We need lighting badly. We put our children at risk when requiring them to travel further to get to practices. Having to travel also takes more time away from their evenings,

dinner and homework. The response that was given by the school board was to “help pass the bond”. We need to continue to have a presence at these meetings and seek to get the SVHS facilities subject on the agenda.

Meeting adjourned at 8:10 pm

Next Meeting: Feb. 7, 2024
