**Falcon Club Meeting Minutes from September 14, 2022**

**Attendees:** Todd Hoffman, DeAndre James, Nancy Franich, Heidi Reynolds, Louie Walters, Chrissie Reynolds, Kari Kamleiter, Sarah Gialdini, Stacy Guerra, Brian, Eric Johnson, Dan Owing, Rafi Putnam, Amanda Gunderson, Cheri Brownfield and Wayne Locke.

DeAndre James called the meeting to order at 7:03 p.m.

**Minutes from Aug. 3, 2022:** Linda Benko made a motion to approve the August minutes. The motion was seconded by Todd Hoffman. The minutes were approved by all.

**Public comment:** The Dinner and a Movie fundraiser was a great night and lots of fun had by all. Not yet a money maker, but looking forward to growing this fundraiser and making it an annual event. Nancy Franich presented \$275.00 from the tennis league fundraiser.

There has been some confusion over the school website. We have switched over to a new one. School Loop is the old website.

**ASB representative Rafi:** Homecoming will be held on Oct. 14. ASB is planning for more carnival games. A cake walk, cotton candy booth, bouncy house, and a dunk tank are some of the activities planned. The potato bar will be available, the senior grad night committee is planning a bake sale. ASB students will be stretched thin so probably not available to help in the snack bar. Other students will be invited to help and to earn community service hours.

**Treasurer's Report:** Chrissie reported the club is behind approximately 13 to 14 thousand this year in income. Participation donations are way down. It is important to stress the need for these donations to parents, coaches and athletes. The message is getting out there, but we are not sure where the communication is failing. Perhaps it is getting lost when included with other information. Brian mentioned the messaging was a bit overwhelming and convoluted. Perhaps more education about the participation donations is needed again.

**Athletic Director Update:** Louie reported that he liked the Dinner and a Movie fundraiser. He visited the campus that evening and was pleased to see families and students attending the event and having a good time. The new scoreboard arrived today! It will be up and running by this Saturday's
