**Student Government Reps:** Homecoming is October 13. Students will be released from classes at 12:30. Students would like to serve free bbqed hot dogs. They will buy the hot dogs, but would like Falcon Club to come up with a couple of volunteers to man the bbq. We would like to have hot chocolate and cotton candy for sale. Please reach out to other organizations to make sure we don't double book. There will be an inflatable obstacle course. Need volunteers to man this event. It would be a great idea to have an alumni section of seating.

**Treasurer's Report:** Income is down 10K from normal at this time. Membership is down. Participation donations are down as well. Drive 4 Schools should make up the difference. We are also missing banner sales.

**Athletic Director's Report:** Girls' Flag Football is going well. The athletes are enjoying it. Cross Country, Football also going well. Tennis, golf, volleyball, all going strong. The public is getting used to using Gofan to purchase tickets to sporting events. We still need a cash box to accept cash from those who wish to pay with cash.

**President's Report:** SVUSD update: The Measure V campaign is underway. Please get involved and help in any way you can. Open FalconClub positions include banner sales, merchandise and membership.

**Fundraisers:** Drive 4 Schools is at 20K collected and 20K pledged. We should get about 10K more.

Dinner and a Movie is getting a slow start. No ticket sales as of yet. The cost has increased significantly with the company we used last year. Nancy will look for other options.

**Meeting adjourned at 8:25 pm**
